Letter no. BS-C- 6282/45-46, dated the 11th/12th July 1946 from the Director of Food Supplies in Mysore, Bangalore requesting sanction for payment of Rs 5236/- to Mr B.S. Subba Rao Proprietor, the Oriental Industries, Mysore, towards the supply of 352 name boards made by him to the D.C. Shimoga.

1) Submitted: The Director has requested sanction for payment of a sum of Rs 5236/- to Mr. Subba Rao Proprietor the Oriental Industries towards the supply of name boards for use in the purchase and sale depots in Shimoga District. In his office letter no. SD 5376/A 152.44-4 dated the 5th/6th March 1945 (Flag B, Link to Sno file) the Director of Food Supplies was requested to instruct the D.C.s of Districts to place orders locally for their requirements of the boards after obtaining quotations keeping the design suggested by the Oriental Industries as standard. It is stated that this procedure could not be followed as the firm had made supplies on the basis of the D.C.s letter of 12.4.45 to the D.F.S. copy of which had been endorsed simultaneously to the firm.

2) The rates charged are stated to be in accordance with the rates mentioned in G.O. no SD 5377-79/A-152-44-3 of 6.3.45 (Flag F).

3) Sanction may be accorded.

4) The purchase made may be approved.

28/8 8) The order of this office that the Dy. Commr & Dist. Board be asked to issue orders of the transfer locally after calling for explanations was sent to the DFs on 5/6.3.45. This seems to have been duly communicated by him to the Dy. Commrs. In the record since receipt of the Dy. Commr's office, there is a letter written to him by the DFs on 27.5.46 asking whether the above instructions issued were followed. The D.C. has not answered this query but sent the record & bill of Mr. Subbarao to the DFs for arranging payment.

9) In view of the fact, however, that the boards have already been prepared from Mr. Subba Rao and the Notices are the same as those sanctioned for purchase from him & the sample boards, it is for consideration whether the formalities made may be (dispensed) sanctioned with the observation that the Dy. Commr's action in proceeding to get the boards contravening the directions in this office letter dt. 5/6.3.45 was irregular. The D.C. may also be asked to explain.

The letter has been despatched to the D.J.S. on 6.3.45.

In view of this, the responsibility for not following these instructions cannot be fixed on the Dy. Comrs. Shimoga D.

18) In regd to the query raised at para 10 of the D.J.S as to whether the called for any tenders in response to the letter from the D.C. Shimoga Dt, he simply states that no orders were issued by him to Mr. V.S. Subbarao and does not answer the point about tenders. It is thus not understood as to why the D.J.'s Office was not definite in its mind that the boards in which also should be got prepared through Mr. Subbarao if it did not call for tenders and give a reply to the Shimoga D.C's letter saying so.

> "I think it is better to call for tenders. Otherwise we will be open to public criticism in placing orders of this type with Mr. Subba Rao for supplies to be made all over the State."
>
> "There is no objection to ratify the action already taken as directed by the Minister in his minute D/12-2-45
>
> "But the Deputy Commissioners should not be compelled or directed to purchase these boards from this firm. They may place orders locally after getting quotations and obtain their requirements keeping the above as the standard design. If they are not able to get this locally, then the Director of Food Supplies may obtain quotations and fix the firm from which they may purchase. I think most of the Deputy Commissioners have got these boards made and it is unnecessary to replace them at heavy cost!

23) Inspite of the above, it is seen that large orders have been placed with this firm by two Deputy Commissioners, viz., one for Rs.5236/- and another for Rs.1584/- without calling for

for tenders. It is now sought to ratify the action taken. The whole thing has been very irregular.

The D.C Shimoga placed the order for sign boards with the Proprietor, Oriental Stores Typist without inviting tenders locally as the instructions of the Govt in the matter had not been communicated to him by the D.F.S. The rates are however stated to be in conformity with Govt order. In these circumstances this officer cannot be said to have acted irregularly.

As regards the DC at Kolar, he appears to have placed the order with the above firm as he found that there were no good artists in Kolar to whom the work could be entrusted.

In these circumstances, the bills submitted in both the cases may have to be sanctioned.
